white-hats.co.uk – The Intelligent Response to Hackers and Insiders!

We are all involved in protecting our networks from hackers and insider attacks. There is so much to read, study and respond to ...

white-hats.co.uk was set up in May 2002 as a user-group by First Base Technologies (www.fbtechies.co.uk) with the aim to provide a new way of exchanging information and learning about threats as they emerge. The group currently provides a vendor-neutral knowledge base for nearly one hundred IT security managers and staff via quarterly meetings, workshops and a discussion group.

All prospective members undergo a full vetting process, and are expected to sign a confidentiality agreement, prior to being admitted for membership. This allows open discussion of key issues in a confidential environment.

Membership is open to IT and security professionals from UK business and government.

Confidentiality Undertaking

In consideration of my being supplied with certain information about other members and delegates of the white-hats.co.uk group (the “Delegates”) including certain historical security information, which is non-public and confidential (the “Information”) from or concerning the Delegates or First Base Technologies (the “Facilitator”), I confirm my agreement as follows:-

1. From the date hereof for an indefinite period, except with the prior written consent of the Delegates or as otherwise provided in this Agreement, the Information:-
 - 1.1. will be kept confidential and will not be disclosed by me, my agents or servants except as provided for in this Agreement; and
 - 1.2. will be used by me, my agents or servants only for the purposes of illustrating security issues on an anonymous basis; and
 - 1.3. will not be used to the detriment of the Delegates or their employers or organisations or the Facilitator or any the affiliates of the Facilitator.
2. Except with the prior written consent of the Delegates or the Facilitator as otherwise provided in this Agreement, the Information will be disclosed to my agents or servants only to the extent necessary for the purpose of illustrating security issues on an anonymous basis. I shall inform any such persons to whom such disclosure is made of the confidential nature of the Information and the terms of this Agreement and use reasonable endeavours to ensure that such persons act in relation to the Information and the terms of this letter as if such persons had entered into a separate undertaking in the terms of this letter.
3. Upon request by the Delegates or the Facilitator at any time all copies or duplicates of any of the Information either in written or electronic form in my possession or in the possession of my agents or servants will be promptly destroyed or returned to the Delegates or the Facilitator. Confirmation of compliance with this paragraph will be given by me upon request.
4. Nothing in this Agreement shall prevent disclosure by me of any Information:-
 - 4.1. where such Information shall have entered the public domain other than as a result of breach by me of this Agreement; or
 - 4.2. if required so to do by an order of any court of competent jurisdiction; or
 - 4.3. pursuant to any English law or regulation; or
 - 4.4. to my professional advisors acting for me in connection with the purpose of illustrating security issues on an anonymous basis; or
 - 4.5. which was lawfully available to me, my agents or servants on a non-confidential basis, as evidenced by my records, before being supplied in connection with the white-hats.co.uk group; or

4.6. which became available to me, my agents or servants on a non-confidential basis from a source (other than the Delegates or/and the Facilitator or any of their affiliates or professional advisers) which was not prohibited from disclosing the same to me by any contractual, legal or fiduciary obligation to the Delegates and/or the Facilitator.

5. I acknowledge and agree, without prejudice to any other rights or remedies that the Delegates and/or Facilitator may have, that delay by the Delegates and/or Facilitator in exercising any right, power or privilege hereunder shall not operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any further exercise thereof.

6. I acknowledge and agree that damages would not be an adequate remedy for any breach of this Agreement, and that the Delegates and/or Facilitator shall be entitled to the remedies of injunction, specific performance or other equitable relief for any threatened or actual breach of the provisions of this Agreement and that no proof of special damages shall be necessary for the enforcement of this Agreement.

7. I hereby confirm and warrant that I have not as at today's date disclosed Information, in breach of the Terms of this Agreement.

If any term or provision of this Agreement shall be held to be illegal or unenforceable in whole or in part, such term or provision or part shall to that extent be deemed not to form part of this Agreement but the enforceability of the remainder of this Agreement shall not be affected.
